FOR IMMEDIATE RELEASE

New Title Information

Crystal Orb Publishing, the media/publishing division of *Ideal Systems*, is pleased to announce the release of *All the Wrong Words* a mystery novel by Catherine Dawson on July 1, 2008.

A lonely housewife, abused by her husband, is championed by her nine-year-old son. Louise, beaten down by the torrent of harsh words and criticism heaped on her by her husband, Dillon, is close to giving up on everything, including her life. It is up to her son, Jonathan, to use his own words to restore his mother's self-respect in time to save her from murder.

"All the Wrong Words will keep you up until you read the last page."
